How to reach us from Fiumicino airport

• By Train

From Fiumicino Airport to Termini station and vice versa, you can take non-stop trains called “**Leonardo Express**”. They depart every 30 minutes, every day of the year and even in the event of strikes, and arrive to the centre of Rome in about half an hour. The trains from Fiumicino Airport to Termini Station run from 06.23 am to 11.23 pm; the trains from Termini Station to Fiumicino Airport run from 05.35 am to 11.35 pm. The train ticket costs €14 and you can buy it near the platform, at the self-service machines, at the Italian Railways desk, and at the Tabacchi and newspapers seller (there is usually no queue there).

Trains are also available from Fiumicino Airport to most of the other Rome railway stations, like Trastevere, Ostiense and Tiburtina. This option may be better, depending on where your hotel is.

The train ticket costs €8; you can check the timetable for your station here: www.trenitalia.com/tcom-en.

Use “**Fiumicino Aeroporto**” and “**Roma [name of the station here]**” as the search strings.

From Termini Station to EuroUSC

It takes about 6 minutes to arrive. Once you **exit Termini Station**, you are in Piazza dei Cinquecento. **Proceed left for 120 m and take Via Giovanni Giolitti**. Turn right and take Via Daniele Manin. Once you arrive in **via Manin 53**, enter the building, take the stairs on the right and go to the first floor.

Please refer to the map below.

How to reach us from Fiumicino airport

From the airport to EuroUSC by taxi:

- **Limo service**

We have a special corporate rate for a limousine service from Fiumicino or Ciampino airports to the city centre (and vice versa) of €40, but this should be booked in advance (at least 2 hours) by phone at +39.338.4937432 (when booking, please mention EuroUSC discounted rate).

- **Taxi**

The highest fare to be applied by the Taxi Service is a single, progressive taxi meter fare, valid across the entire municipal district, which increases in accordance with the kilometres travelled and the completion time of each individual service. Furthermore, fixed fares are set for journeys to/from airports. Taxi license holders are obliged to issue receipts of payment.

Taxi fares are indicated on the meter, apart from the authorized supplements shown to the public in the vehicle. The fixed rate from Fiumicino airport to the city centre is €50. Please note that EuroUSC is inside the Aurelian Walls, thus you can take advantage of this special fixed charge that you could find advertised at the airport. Use official taxis going to the official taxi standing point: non authorised taxi drivers could approach you at the exit of the airport and charge rates higher than normal.

If you want to reserve a taxi please ask us, we'll be pleased to arrange it for you.

A free app for taxi transport is "Free Now (my taxi)", and it is available both on Google Play and iTunes.

Go to the [**Comune di Roma taxi information website**](#) for more information about taxis and fees.

See the "**Useful numbers**" section at the end of this document to contact taxi services.
